

## **View Completed Courses**

## Process FlowWhen a course is marked completed or successful, it is moved from your My In<br/>Progress learning to your My Completed Learning. The My Completed Learning<br/>displays the result of each course listed as a separate item. It can also include items<br/>created by your manager that you completed externally. The list of completed<br/>courses is sometimes referred to as your learning transcript.1.Access Your Completed Courses Page
